**Subject: Deep freezer in BHS Platform.**

Respected Sir,

We are in receipt of a complaint from our secretary offshore in BHS platform Mr Ravi Wate that the deep freezer is not working for over four weeks, please find copy attached for your perusal.

We accept the fact that age and volume combined together makes things critical as far as maintenance of machinery and gadgets are concerned, and MH- Asset is no exception to this fact. Without exaggeration, being in the hands of able and experienced administrators everything comes under the umbrella of, **“Not Impossible”**.

The above prevailing circumstances of deep freezer remaining in non-operational condition for over ~~four~~ weeks, when more than 250 regular and contractual employees are on board are a matter of serious concern. We understand OIMs are either helpless or we do not have the updated information of the action initiated at his end, but physically it is yet to be attended.

The issue has been discussed with the OIM on board for more than one occasion, failing to receive a convincing reply our secretary has rightly applied his mind without resorting to aggression, requesting us to raise the level by bringing it to your authority and Surface Managers notice.

We look forward and remain convinced, that your esteemed authority gauging the seriousness will have a personal overview and speed up the need in making the deep freezer operational deploying the right agency, and not handing over to the agencies who are incompetent and pedestrian in nature, where we only landing in loosing ONGCs money at the cost of causing inconvenience to our employees.

Thanking you,  
Yours faithfully,

**(Pradeep Mayekar)**

**Sub: BHS Deep Freezer/Chiller out of order**

Sir,

We would like to bring your kind attention that last two week deep freezer is not working. Due to that frozen items (Veg/Non-Veg) could not stored at BHS complex. Since, more than 200 persons are working in BHS complex; it's difficult to provide healthy and hygienic food to the onboard persons.

We have already informed the same to OIM and MM.

Please perceive into the problem. So that it can be resolved at the earliest.

Thanking you,

Yours Sincerely,

(R.D. Wate)  
secretary
