Subject: Irregularities in the Formation of “Food Committee”, Request for Reconsideration.

Respected Sir,

With reference to the Internal Office **Order dated 03.08.2025** (copy enclosed) & received email by our Office bearer **Shri.Shashank Kokate, Deputy General Secretary** would like to bring to your kind attention certain irregularities observed in the formation of the **Food Committee** on-board.

It has come to our notice that the process of constituting the committee has not followed the standard participative procedures that ensure transparency, fairness, and representation. Specifically:

- **No General Body Meeting** was conducted with the onboard crew members to discuss key aspects related to **Catering and Housekeeping Services**, which is a customary and inclusive practice.
- The **recommendations for the new committee** appear to be based only on personnel from a **single shift**, completely excluding representation from the other shifts.
- Moreover, it has been observed that some members were inducted through **personal selection**, including those who are **newly joined or recently transferred**. In certain instances, inclusion was done **without seeking consent or willingness** of the employees concerned.

The above actions not only undermine the spirit of collective participation but also raise concerns about transparency and representation.

In view of the above, we earnestly request your intervention & recommend the following:

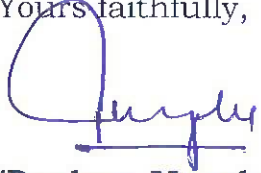

1. **Immediate directions to convene a General Body Meeting** of all on-board personnel to ensure inclusive participation for constituting “Food Committee”
2. **Reconstitution of the Food Committee**, if required, through a democratic and transparent process, ensuring fair representation from both shifts including day & night shifts.

Contd....2

3. **Proper documentation of the meeting minutes** to maintain procedural integrity.

We trust the management will treat this matter with due seriousness and uphold the principles of fairness and collaboration onboard.

Thanking you,
Yours faithfully,

(Pradeep Mayekar)
General Secretary

Sir, Good Afternoon,

With reference to the Internal Office Order dated 03.08.2025 (Order attached in attachment), I would like to bring to your kind notice that the formulation of the Food Committee appears to have been carried out without following the standard procedure.

It has been observed that no General Body Meeting was conducted with onboard crew members to discuss key points, issues, or suggestions related to Catering and Housekeeping Services. Furthermore, the recommendation for forming a new Food Committee seems to have been limited to members from a single shift, without representation from the opposite shift.

It has also been noticed that some members were inducted into the newly formed committee based on personal selection, including newly joined or recently transferred employees, and in some cases, without obtaining their consent or willingness to participate. In view of the above, it is requested that necessary directions may please be issued to convene a General Body Meeting of onboard personnel and, if required, to reform the Food Committee following proper procedure, with due recording of the minutes of the meeting.

Regards,

Shashank Shashikant Kokate
