Sub : Pending Promotion w.e.f. 01.01.2007 to the next higher post i.e. S-I to S-II for clarification of equivalency of qualification.

Respected Sir,

This has reference to the above issue vide letter No. MR/R&P/C-III promo/2007 dated 29.12.2006. The issue of qualification of individuals presently designated as Asst. Foreman (Prod.) cited in the letter from serial no. 27 to 37, being treated as below Q3 and denied promotion to this next higher post i.e. from S-I to S-II was discussed with your esteemed authority in your office in Dehradun in detail. As advised by you we are enclosing a comparative statement of the course duration and its detailed syllabus.

It can be seen the ITI courses are of two years duration and the courses that they have done under Apprenticeship Act are of 3 & 4 years duration. The theoretical syllabus is more or less same. With all the feedback, we expect a decision can be taken towards accepting the qualification at par with Q3 and the said promotion i.e. from S-I to S-II be released w.e.f. January 2007.

With regards,

Thanking you,

Yours faithfully,

(Pradeep Mayekar)
General Secretary
