**Subject: In appreciation towards exceptional 25 years by WINians.**

Respected Sir,

The championing of your administration along with all predecessors echoes in the achievements and contribution of all WINians for maintaining highest level of productivity with all the aging fields of WOU continuously for 25 years.

Karmachari Sanghatana takes great pride and pleasure, in saluting one and all who contributed in their own way (immaterial of office or field) towards the successful dawning of this silver jubilee day.

On this unique and auspicious day of celebration what I want to propagate is, **"let work be worshiped as a religion",**

That will be equally accepted to all minds,  
it must be equally philosophical,  
equally emotional and  
equally conducive to action.

While not shifting our eyes from the mirror of our achievement, I wish to say, **"what we have achieved are but waves on the boundless oceans."**

In this cut throat competition of business survival blanketing our pioneer-ship in E&P, conceived due to Globalization and Liberalization we will have to fight relentlessly towards energy freedom not only for us but for every citizen of the nation, making ONGC proud of its unparallel human resources.

I once again, on behalf of Karmachari Sanghatana congratulate all WINians and request your esteemed authority to aptly acknowledge their achievements having braved all the hurdles.

With regards,  
Thanking you,  
Yours faithfully,

**(Pradeep Mayekar)**  
General Secretary.
