**Subject : Non adherence to quality maintenance & replacement  
towards contract awarded for housing colonies.**

Respected Sir,

It is expected that awarding contracts to contractors having carried out after proper screening, but BVG India Ltd., who is being awarded contract for maintenance of all housing colonies under policy of "All under one roof", has failed miserably.

We are bringing to your notice the practices he is involved in causing enormous inconvenience to residence of our housing colonies.

1. Not providing sufficient technician hence all requirements of maintenance are delayed.
2. Even if the technician is available, he complains of non availability of material & tools.
3. Normally used substandard material, but bills are exorbitantly high.

It is our earnest request to properly screen his bills before they are passed and be brought under the umbrella of vigilance.

With regards.

Thanking you,

Yours faithfully,

(Pradeep Mayekar)  
General Secretary
