Subject : Internet facility to unionized category.

Respected Sir,

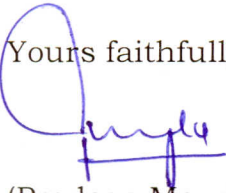

We remain grateful to the organization towards various facilities being considered for Class III & IV employees in common base with officers, like computer loans were provided to all. So also mobiles are extended to 'S' category & 'A' category. With our past experiences we have not lost hope that it will not be very late before the consideration of mobiles will come for all 'W' level also, and laptops are given to all 'S/A/W' level.

We wish to bring to your kind notice that with provision done to own computer, it will be justified enough to extend internet facility to all Class III & IV employees. This may please be done at the earliest.

With regards.

Thanking you,

Yours faithfully,

(Pradeep Mayekar)
General Secretary
