Subject: Meeting towards strengthening Management- Employee relation
and achieving border goals of the Organization.

Respected Sir,

Beyond the existing platform of Faith and Trust, today we have to join hands in unison and stand firm to face the onslaught of Neo- liberal economic policies and melt down the perception of Privatizing of PSUs.

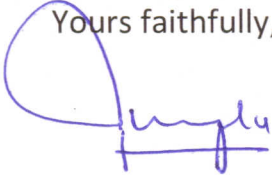

To begin with at a micro level we have to strengthen our organization by maintaining:

- 1) Highly motivated man power, their problems being addressed and resolved thus maintaining healthy- amicable work atmosphere.
- 2) Striving to reduce downtime.
- 3) Increasing qualitative productivity.
- 4) Constantly remaining Vigil with our installations and not leaving it alone in the hands of CISF and Security department.

Vide our letter dated 4/09/2009, No. ONGC/KS/465/2009 we had surfaced issues related to Trombey Terminal, even after five months they remain unaddressed, please find a copy of the same to be discussed in the meeting.

To come closure in achieving the above circumstances we seek a bilateral meeting with your esteemed authority, involving concerned area incharges, area manager, HR & IR heads in Uran towards resolving the under mentioned agenda points at an early date.

With regards,
Thanking you,
Yours faithfully,

(Pradeep Mayekar)
General secretary.
