Subject: Congratulations, being proud and honoured.

Respected Sir,

At the outset on behalf of Karmachari Sanghatna let me congratulate you for the accomplished status, you were always meant for it. Yes I acknowledge that I am the last compartment carrying this wish, the reason being, I am still to accommodate and accept this fact within myself.

In so many years you have become a part of our life, so it will be very difficult to accept life within ONGC without you, more than one issue having its own complications are left half done to name a few:

- wage revision of non executives,
- PRP for non executives ,
- pending issues relating to R&P,
- mobile for class IV,
- Laptop for non executives, scheme at par with executives,
- & most important New R&P etc.

You have definitely stamped a mark in our memory; you have created a museum with vast collections of HR policies to facilitate every ONGCian immaterial of being in office or sweet home having positive effect in our daily existence.

A perception yet not the last, **"You have remained and will always remain a Beacon of hope and aspiration to achieve"** carry on your journey with our prayers and bless us so that we do not stagger in our journey.

Once again congratulation with million salutes,

Regards,

(Pradeep Mayekar)
General Secretary.
