Sub : Extending illegal privileges to unrecognized union.

Respected sir,

At the outset Meetings called by unrecognized union are not official, extending transport facilities in contravention to existing laws is bringing them at par with recognized union. On requirement surfaced by PEU unit secretary in Uran was provided vehicle on 09.07.2010, such illegal hand in glove activities is viewed very seriously, a copy of the same is enclosed for your knowledge and necessary action.

It was even more surprising that such facilities are extended during pending of enquiry against the said secretary Mr. Dinesh Gharat of mob instigation and manhandling activities within Plant premises.

It is requested that your authority may please advice concerned officials not to engage in such illegal activities as it conceives stained industrial relation.

With regards,

Thanking you,

Yours faithfully,

(Pradeep Mayekar)
General Secretary
