**Subject: Crew change chopper services.**

Respected Sir,

Since the time new contract is awarded to **Pawan Hans** services are in complete disarray, every day six to eight crew change are getting cancelled, the repercussions are wide and large, starting from overloading of Santacruz guest house, panel hotels causing multiplicity of hotel bills, people who have booked there Air tickets are largely inconvenienced because of uncertainty in rescheduling of their homeward journey, this once again causes increased air fare, and lastly increased Overtime payment.

The psychological trauma caused due to uncertainty is the biggest cause of concern, this is generating unhealthy work atmosphere in all platforms and rigs. All this, at the cost of Pawan Hans not responding in right proportion, and added services of private rigs.

Your authority is requested to take up the issue with Pawan Hans and mellow down the above crisis, so that fatal accidents can be avoided.

With regards,  
Thanking you,  
Yours faithfully,

**Pradeep Mayekar**  
(General Secretary)
