Subject : Part Minutes of the JCM held on 17th Sept. 2010 at New Delhi to signing of LTS.

Respected Sir,

This is in reference to the above, please find attached a copy of same. It is already more than a month and nothing is heard from your end towards settlement on the quoted issues.

- Wage revision for 240 days completed contingent employees.
- Enhancement of honorarium and extension of facilities to the field operators.
- Fair wages for contractual workers.
- immediate finalization for consideration of notional fitment benefit to be granted to the unionized categories those who have joined ONGC on or after 1/1/1997.

The issue of PRP for non executives which has fallen wanting with three years back log needs to be addressed with for most urgency, so also the order of self lease was agreed to follow, is yet to see the light of the day.

It is earnestly requested to call an early meeting so that effected employees can share with us their revision of wages during these festive season, as well as the issues related to regular employees are resolved.

With regards,

Thanking you,
Yours faithfully,

Pradeep
