Subject: Gross irregularities by "Star Caterers" in Rig Sagar Gaurav, which has compelled to call hanger strike from 28/9/2011.

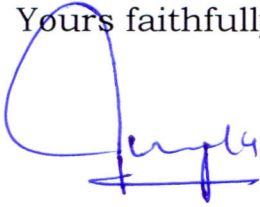

Respected Sir,

The above issue is precipitating for more than two years; please find enclosed all the copies of letters surfaced to all management for your perusal. It is self explanatory and your authority will appreciate that we have displayed sufficient patience with intermittent assurance given by both i.e. management as well as the caterer. Today, with conviction, we claim nothing will change and we have come to this stage of resorting to hunger strike.

With all our experience in so many years we are of the view that the present caterer is other than unprofessional is highly pedestrian in his approach, not in capacity to indulge or execute catering services of such volume, we cannot allow such practices at the cost of our officers and staff.

Your authority is earnestly requested not to turndown our request of black listing the said caterer from Sagar Gaurav, so also immediate action may please be initiated to terminate his services from the said Rig Sagar Gaurav.

With regards,
Thanking you,
Yours faithfully,

(Pradeep Mayekar)
General Secretary
