Subject: Shuffling of employees to drilling section who are not designated for the said section.

Respected Sir,

We are in receipt of application from JAT(Ps) deployed in MH-ASSET & B&S ASSET Since Feb.2009, being directed through individuals webice to report to drilling section. More than the incorrectness of such directives we remain concerned about the aggressiveness with which it is being done i.e. deleting their names from Assets, barring them from online activities through webice.

Further to our amazement, when brought to the notice of concerned Asset managers, they have confirmed that this was done without their knowledge impressing their serious concern of operational disruption if so many people are removed.

..2..

It is earnestly requested, kindly advice the concerned authorities to desist from such practices which is in deviation to our policies their only leads to unnecessary complications. Today many promotions are kept in abeyance quoting qualification not in line.

Most importantly we have been pursuing to recruit people in various disciplines as departments are starving of rightful staff, we remain grateful for the on going recruitment in production section & various technical discipline, same may please be pursued for drilling discipline also.

With regards,
Thanking you.
Yours faithfully,

(Pradeep Mayekar)
General Secretary
