Subject: Deteriorating catering services in Trombey Terminal.

Respected Sir,

We are in receipt of a letter from our secretary Trombey Terminal surfacing the above issue, which is also brought to the notice of I/c. Trombey Tl. We are enclosing a copy of the same for your perusal.

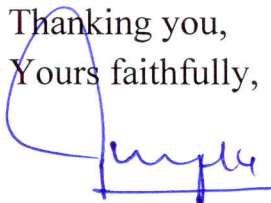

The culminating effect of deteriorating food quality, service and increased arrogance of the contractor is having its toll in Trombey Terminal to the extent that, officials are either bringing their food from home or making alternative arrangements, the most unfortunate part is, even though the above circumstances is not a recent development continues to remain unnoticed or is overlooked.

The remoteness of its installation and its constraints needs no elaboration to your esteemed authority, employees in shifts are more affected, and it is our earnest request that please take prompt necessary action to improve the prevailing non-conducive catering condition in Trombey Terminal.

..2..

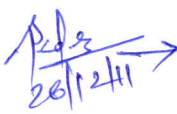

The contractors attitude prompts us to demand that the present caterer be black listed and not allowed to participate in any contract in future in our installation.

With Regards,
Thanking you,
Yours faithfully,

(Pradeep Mayekar)
General Seretary
