Subject: Illegal presence of fishing boats and unattended welfare issues since 2009 in BHS, MH- Asset.

Respected Sir,

We are in receipt of two letters from our secretary (offshore) addressing the above two subject, as well as find two letters addressed to LM & PMM by utility I/C through OIM- BHS which remains unattended over a period of two years when the requirement multiplies. Please find copies of the same for your perusal.

We remain invariably concerned about the fishing boats which comes dangerously close to our Platforms and Rigs, this could be fatal to our installations and officials on board, memories of BHN platform will still take long time to mellow down, we pray we do not become witness to another incident, this scenario is not alone of BHS but with all installation, the tragic part is, they are normally fishing when security boats are away.

It is earnestly requested to have a personal overview of the situation to dilute this unsafe condition that stays with us throughout the year accept the rainy season.

Coming back to welfare issues the enclosed letter explains in detail, how conducive working condition prevails in BHS, patient waiting for more than two years is reason enough to express our anguish resorting to food boycott and other mode of action.

Falling back on our experience with your esteemed authority we look forward for a meeting to address the above issues and share your views towards resolving the same at the earliest.

With regards,
Thanking you,
Yours faithfully,

(Pradeep Mayekar)
General Secretary.
