Subject: Blacklisting of M/S Rashmi Hospitality Services Ltd.

Respected Sir,

Most ideal example of being Complacent is the engaged Caterers in all our offshore installation and, "best complacent award" if declared M/S Rashmi Hospitality Services Ltd. will top the list year after year.

Repeated attempt of good counseling fell on deaf year, today we are finding difficult to turn away our face from the fact, "exhibition of tolerance in excess is sin", the repeated complain we have received makes us feel guilty of standing face to face to the above circumstance.

Pleased find enclose copies of complains received from Sagar Bhushan and Sagar Vijay duly endorsed by Rig Manager Sagar Bhushan. The said caterer is not only making life hell of all our employees on both the rigs, is also breaching our organization face value.

It is earnestly demanded that the said caterer should not be entertained for any further extension neither should be allowed to purchase tenders for future contracts, in short he should be black listed.
Patience overrun we surface our only option of restoring to Hunger Strike on the above Rigs duly supported by stopping all canteen in Mumbai office complex.

Extreme effort we will put in for another one month to resolve the above crisis through constitutional measure, so that we are not forced to resort to action mentioned from the date of issuance of this letter.

With regards,
Thanking you,
Yours faithfully,

(Pradeep Mayekar)
General Secretary
