Sub:- Interference of Officer Shri P.R. Gurav, AE (Drilling) in Union activities.

Respected Sir,

Your authority must be aware that the tenure of 2 years being recognized union by virtue of majority will be maturing in the next two months.

Naturally, it need not be elaborated its election atmosphere everywhere, sentiments will be running high on both the sides, in a nutshell we cannot shut our eyes to a very volatile circumstance prevailing.

We have been continuously educating our members to display more maturity and keep the atmosphere very amicable, cause- we cannot forget we are all ONGCians. Of let it has been brought to our notice that Mr. P.R. Gurav, already promoted as A.E. (D) who is posted in Rig Sagar Gaurav, on 5.03.2006 had called all tenure based Field Operators (Rigmen) and Field Technicians (E) in Star Board area, assuring them of regularization in ONGC at the cost of becoming members of Petroleum Employees Union. We attribute this as outrageous and might spread inter-union rivalry.

Your esteemed authority is requested to bring this to the notice of ASTO President and also the said individual, or we will have to tell our members to make him understand in their own way that he is no more a Union Member.

There is very little room for accommodation, "its offshore installation", any repercussions he will solely be responsible.

Thanking you,

Yours truly,

(Pradeep Mayekar)
General Secretary
