Sub : Discriminatory approach towards medical facility in Hazira Plant.

Respected Sir,

In our recent visit to Hazira Plant certain unbelievable fact were brought to our notice, mainly medical facility. We would like to draw your attention towards resolving the under mentioned issues :-

1. Non-availability of medicines in the dispensary, this leads individuals to purchase medicines from outside, further, exposed to frustrating delay in reimbursement of medical claims.
2. There are 18 panel hospitals; it is so humiliating that credit facility to our employees are not extended, by these hospitals, reason being unprecedented delay in receiving hospital bills.
3. Most unfortunate part, even though Hazira lies within Mumbai Region administration the rates of Consultant Doctors are not same and even mode of payment. Consultant fees are also delayed, this prompts the panel Doctors to demand payment directly from the employees otherwise treatment is denied.

We request your esteemed authority to look into the matter and resolve all irregularities and discrimination at the earliest, so that medical facility is extended to employees as is received in Mumbai, also individual employees are not exposed to unnecessary humiliation.

With regards,

Thanking you,

Yours faithfully,

(Pradeep Mayekar)
