New Delhi.

Subject: **Extending Mobile facility to all executives and staff.**

Respected Sir,

In view to the decision taken on the 300<sup>th</sup> EC meeting of extending the above facility, it will be largely appreciated if a minor modification is enacted.

The said decision defines the facility up to E3, "further below it is need based with the approval of L-1/ED", this can draw problem causing feeling of discrimination. It need not be elaborated that today mobile has become a utility requirement, calling back memories of - 26<sup>th</sup> July 2005; it was the mobile phone which averted many fatal emergencies.

Within the organization areas like offshore installation or plants like Uran and Hazira, the circumstance prevailing is common to all, be it executive or staff. Interactions and communications are not limited between two executives only. Hence we request your esteemed authority to extend this facility to all employees.

With regards

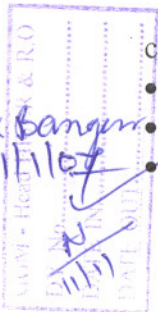

Thanking you,  
Yours faithfully,

Pradeep Mayekar  
Gen. Secretary.
