Sub.: Request for Appointment of Homeopathy Doctors for Western Offshore Unit (WOU), Mumbai Region.

Respected Sir,

This has reference to **Advertisement No. 3/2026 (R&P)** issued for the engagement of doctors on a Fixed Term Basis in ONGC. A copy of the said advertisement is enclosed for your kind reference.

As per the advertisement, vacancies for **Homeopathy Doctors** have been notified for ONGC establishments at **Shivsagar & Dehradun**. However, we regret to note that no vacancy for a Homeopathy Doctor has been provided for the **Western Offshore Unit (WOU), Mumbai Region**.

In this connection, we would like to draw your kind attention to our earlier **Letter No. ONGC/KS/34/2026 dated 23.04.2026**, wherein we had specifically requested the appointment of a new Homeopathy Doctor for the **LPG Plant, Uran, ONGC, Western Offshore Unit**. It is, therefore, a matter of serious concern that this requirement has not been considered while issuing the above-mentioned advertisement. Moreover, no vacancy for a Homeopathy Doctor has been notified for the entire Western Offshore Unit, Mumbai Region.

It is pertinent to mention that **Homeopathy Doctors had earlier been appointed in WOU & were regularly visiting various workplaces of the Mumbai Region, except the Uran Plant**. In this regard, a copy of **Circular No. WOU/RO/Circular/24/27 dated 15.10.2024** is also enclosed for your kind perusal.

The **Western Offshore Unit, Mumbai Region, is one of the flagship operational units of ONGC & makes a substantial contribution to the Company's overall oil & gas production**. Considering its strategic importance & the large workforce associated with the Mumbai Region, the non-inclusion of WOU in the present requirement for Homeopathy Doctors has caused considerable concern & disappointment among the employees. We, therefore, strongly request that the medical requirements of the Mumbai Region be given due & equitable consideration.

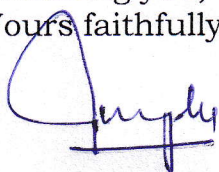

Contd....2

It may further be noted that approximately **5,000 serving employees, including Executives & Non-Executives, are working in ONGC's Mumbai Region.** In addition, around **8,000 retired employees are residing in Mumbai & adjoining cities**, along with their dependent family members. The availability of Homeopathy Doctors would, therefore, benefit a substantial number of serving & retired employees & their families.

We earnestly request your esteemed authority to kindly intervene in the matter & issue necessary directions to the CGM - Head Medical, New Delhi, to include the Western Offshore Unit, Mumbai Region, for the appointment/engagement of Homeopathy Doctors under the current recruitment process.

We trust that, considering the operational importance of WOU & the genuine medical requirements of serving & retired employees & their families, our request will receive your kind & favourable consideration.

Thanking you,
Yours faithfully,

(Pradeep Mayekar)
General Secretary

Sub.: Request for arrangement of weekly visit by a Homeopathic Doctor to Uran Plant until appointment of a new Homeopathic Doctor.

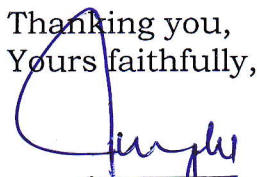

Respected Sir,

ONGC's Uran Plant has a regular workforce of 550 employees along with their dependents. Additionally, there are around 300 Retired employees, 250 CISF personnel & their dependents as well as 450-500 contractual employees working at the plant are staying in & around the Uran city,. Previously, a homeopathic doctor was posted at the OHC, Uran Plant & many employees availed themselves of treatment from homeopathic doctor. Currently, the position is vacant, causing inconvenience to employees seeking homeopathic care. As a result, employees are requesting the appointment of a homeopathic doctor.

As mentioned, in Homeopathy Circular No. **WOU/RO/Circular/24/27**, Dated **15/10/2024**, ONGC has already adopted a scheduled in-house homeopathy consultation model at the Medical Section through Dr. Darshan Shah & Dr. Mohini K. Jain, with consultation timings generally from 09:30 am to 01:30 pm at locations including NBP Green Heights, 11 High, Vasudhara Bhavan, Maker Tower, Helibase & Panvel. Arranging a similar weekly visit for Uran Plant would therefore be consistent with the existing consultation pattern followed within ONGC. Such a weekly visit would help meet employees' health needs, support continuity of care & reduce inconvenience to employees who require homeopathic consultation.

Your esteemed authority is requested to approve this weekly visit of Homeopathy doctor at ONGC, Uran Plant at the earliest. This interim arrangement is requested until a new Homeopathic Doctor is appointed. We shall be grateful for an early & favorable decision in the interest of employee welfare.

Thanking you,
Yours faithfully,

(Pradeep Mayekar)
General Secretary
